

Increase Your Summer Rodenticide Sales!

Remind PMPs to take advantage of the Liphatech Savings In The Bag Promotion from June 1st to July 31st.

We're offering PMPs 40 free 4 lb. bait bags (provided in 16 lb. cases of 4 bags) with the purchase of a pallet of soft bait or mini blocks rodenticide.

PMPs simply make a qualifying purchase, submit the redemption form directly to Liphatech with their proof of purchase and receive 40 FREE 4 lb. bags of either FirstStrike®, Resolv® or TakeDown® soft bait or Generation® mini blocks.

No additional steps for you - just sell the rodenticide and provide a proof of purchase to the PMP.
